To  
The Chief Secretary  
Khyber Pakhtunkhwa.

**Subject: Request for the data collection of all employees and 2% Quota reserved for persons with disability**

Sir,

It is stated that we Friends of Paraplegics(FoP) are working for the rights of persons with disabilities.

Now we are working on 2% quota for implementation since March 2016, unfortunately departments were not cooperating, so we start to collect data through Right to Information (RTI) Act 2013, which was useful little bit but in it we didn't get up to the mark results and most of the data is incomplete and missing.

After short meeting with you on date 13/12/2017 in front of your office we get some hope from your side, so we would like to get this data in detail from all the departments of Khyber Pakhtunkhwa through your office because it is possible through your kind support and personal interest as employment is one of the big issue for persons with disabilities and we will get clear picture that how much it is implemented and how much its needs to be implemented.

If we get it, we will be the first province of Pakistan who will have this detail about persons with disabilities employment in there province.

Kindly acknowledge FOP by CC the copy of same letter which you forward to any department.

**Enc: Format for data collection of Organizations and their employment is enclosed for reference please.**

Best regards

General Secretary
